

Spriggy Schools

Reliable online ordering for school canteens

Spriggy Schools removes the headache of handling money in your school. Our reliable and easy-to-use app provides a cashless system to run your canteen, uniform shop, events, and even fundraisers.

With Spriggy Schools, say goodbye to hours wasted handling paper orders, counting cash and trips to the bank, and hello to increased orders and less stress - we could all do with that.

Peace of mind

You can count on Spriggy Schools, especially on your busiest days. We obsess about tech so you don't have to.

Reduce the stress

Spriggy Schools has a range of time-saving and revenue-boosting tools, plus a dedicated support team should you need it.

Attract more parents

Over 80% of parents prefer to order via the mobile app. Remove friction that's slowing your sales.

Simple, transparent fees

With Spriggy Schools it's black and white - no hidden fees, no setup costs, and no fixed contracts.

For Schools

- ✓ Always be in control of your menu with our real-time menu editor.
- ✓ Print customisable labels to ensure every order is fulfilled successfully.
- ✓ Simplify your preparation each day with our unique item reports.
- ✓ Utilise class reports to ensure every student gets their order.
- ✓ Set your own ordering times, and remove the stress of late orders with the late order settings.
- ✓ With regular weekly settlements, there's no more counting cash and trips to the bank.
- ✓ Get support every step of the way from your dedicated Customer Success Manager.

For Parents

- ✓ No more stress searching for cash. Pay with Visa and Mastercard Debit & Credit cards.
- ✓ Order your way with both iOS and Android apps, or even through the website.
- ✓ Be prepared and place orders in advance.
- ✓ Always get help when you need it from our Australian-based Member Help team.
- ✓ Keep all your school payments in one place.

Getting started is a piece of cake

It's easy to switch to Spriggy Schools. If you're ready to partner with a reliable, online ordering platform, reach out and we'll show you how to easily set up or migrate your existing service to Spriggy Schools in as little as a week.

Demo
